LION

Foreword

Just as a magician pulls surprises from a magic hat - - so have we, the Lion Staff, tried to pull from the year 1963 the events that together produced a truly magical year - - the surprises, the assemblies, the bonfires, the pep rallies, the floorshow, the all-school social, career day, the football and basketball games - - and even studies. Magic, besides being exciting, adds an air of seriousness. As we put aside the hat of high school, we don the hat of even greater responsibility and promise of future years.

It is with deepest and fondest sincerity and gratefulness that we dedicate this annual to a person known and loved by all. This gracious person has endeared himself to every student, teacher, and employee at GHS through his concern for others, his friendliness, and his complete devotion to duty.

For his rich abundance of admirable qualities, we dedicate the 1963 LION to an outstanding superintendent,

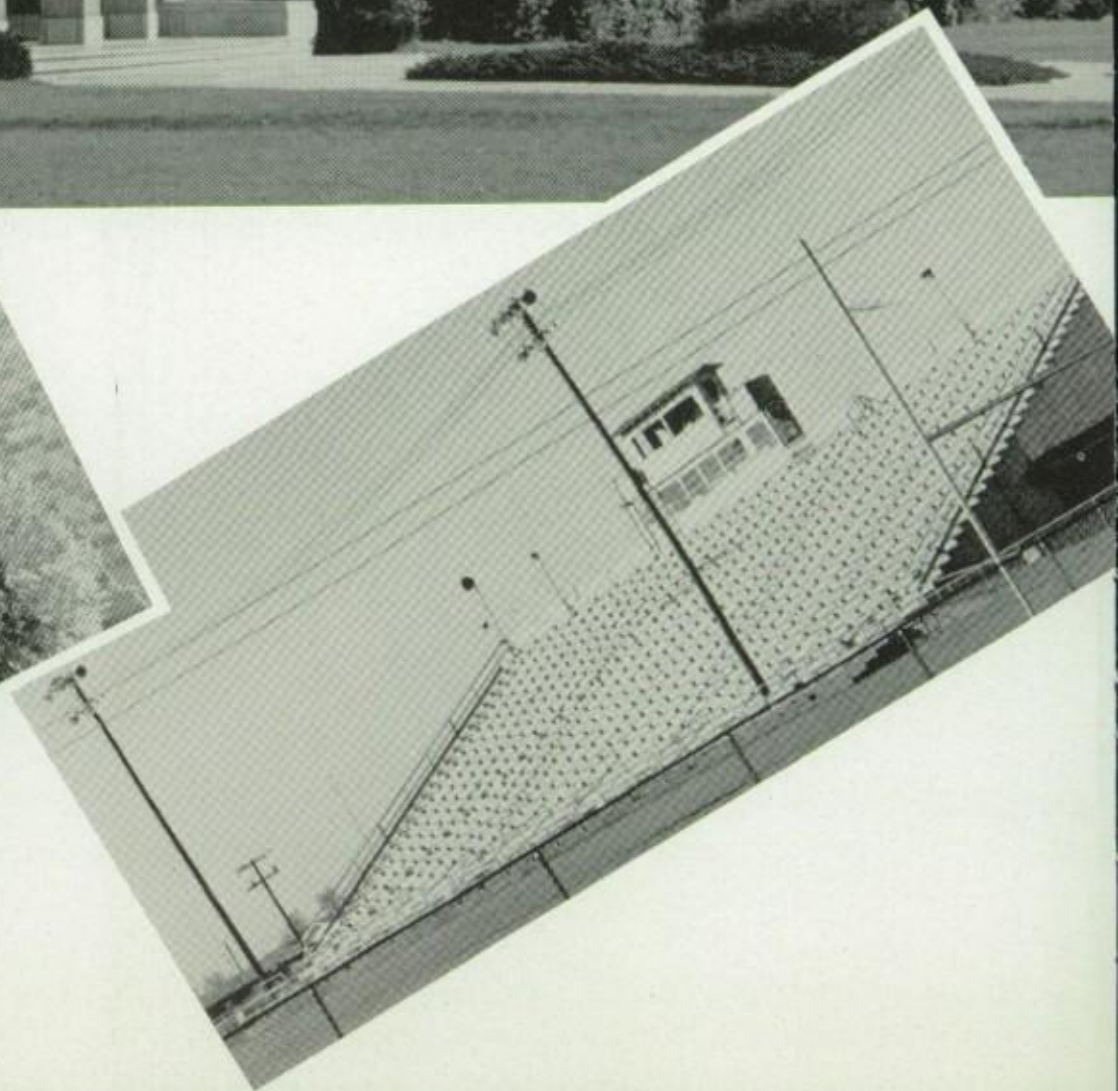

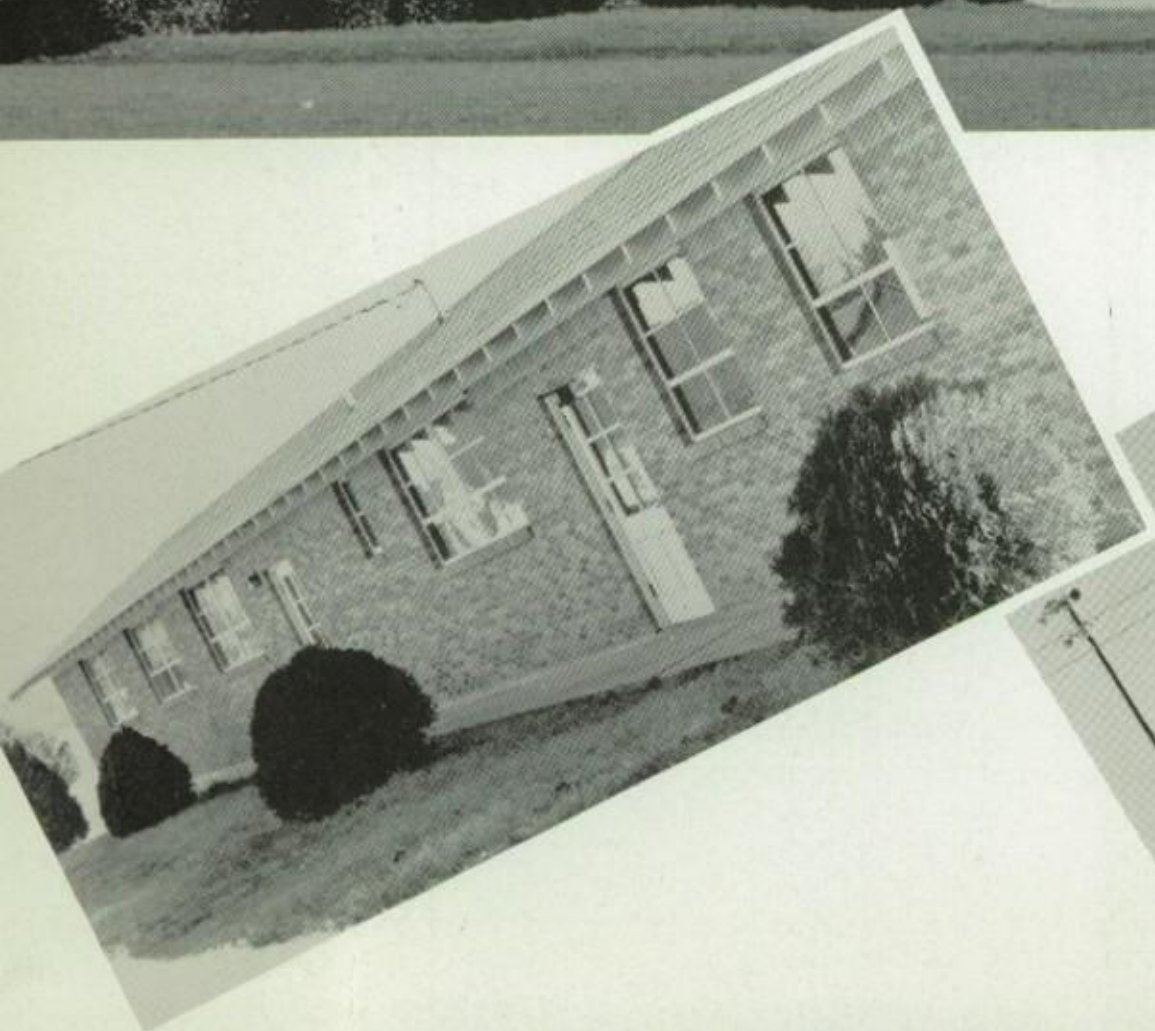

Mr. Wesley N. Martin

To all my friends of GHS:

It has been a great honour for me to attend GHS this year. I appreciate all the experiences I have encountered during my visit to the USA and especially to Texas.

I am grateful for the friendly treatment that everybody gave me and the patience that both teachers and students had with me.

I will be proud forever of this year I have spent in Greenville High School.

Hasta siempre,

Alberto Atkinson

SPRING 1962

The GHS Lions won the 6AAA track and field meet for the third straight year. This makes seven track championships in eight seasons for the Greenville runners. Steve Sansom was the outstanding athlete for the Lions; as he won first places in the 120-yard high hurdles, and the 180-yard low hurdles at both the district and regional meets. Steve placed second in the State meet in the high hurdles.

Other stellar performers for the Lions were Gary Newman, and James Voss, who ran on Greenville's championship 1-mile relay team. Also on this team were Larry Stapleton and Johnny Ray.

Greenville's sprint relay composed of James Voss, Gary Newman, Larry Garrett, Allen Ross, or Larry Stapleton probably will all be back for the 1963 season. It should be one of the best relay teams in our area.

Max Mainord, Billy Andrews, Tony Toro, and Royce Swiney, plus returning lettermen should again be contenders for the district 6AAA track and field championship.

The 1962 G. H. S. Tennis Team secured the district crown for G. H. S. with numerous commendable matches. Dickie Odell was the number one boys' singles player. He won in district, and went on to represent Greenville in the regional tournament.

Phil Hughey and Tommy Oliver composed a top notch boys' doubles team. They won district and went to the Regional Tournament in Dallas where they were runners-up. Phil has shown good potential and will return next year.

Bill Carraway played Junior singles for G. H. S. this year. He will return next year to play doubles. Sheila Lumpkin and Lydia Long made up the girls' doubles team. Sheila will return to play for us next year.

BASEBALL SPRING 1962

The 1962 Greenville Lions won the district baseball championship with 6 wins and 0 losses in district play. Their season record was 7 wins against 4 losses. This is the first baseball championship won by the Lions in G. H. S. history.

With Max as the bride, an unusual cast of eager participants presented the "Womanless Wedding" at the annual All-School Social. They certainly make a pretty picture.

The Junior High kiddos, with their lollypops and dolls, did a gay routine to "Ball and the Jack." Their number completed a stupendous Social.

One week!! But I'm a slow reader!

Quiet! She's coming!

Why are you taking my picture?

Someone left in a hurry!

There's that straight "A" student-- studying EVERYWHERE!

Goodbye, Friend.

Get 'em, Lions!

Look sharp, "Juniors"!

Number eight is next . . "Seniors."

Pep Assembly

Finis . . . "Twirlers."

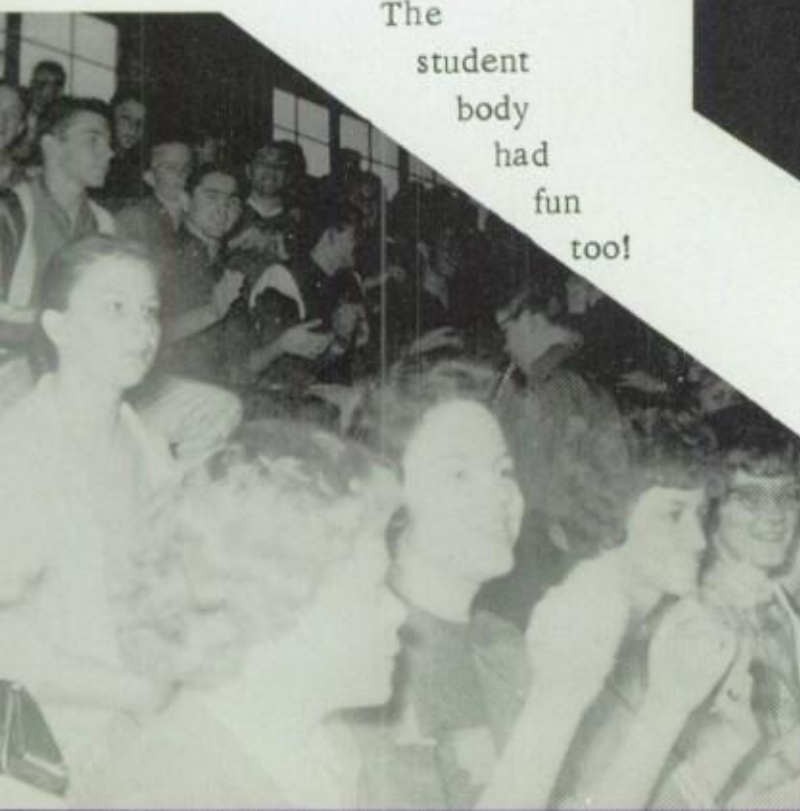

The band played . . .

. . . the band played,
the Flashes "flashed,"
the cheerleaders
"cheered," the twirlers
"twirled," the team
got pepped up, the
student body roared
. . .

it all adds up to
fun at a typical GHS
pep assembly!

"Go, Big Red!!"

The
student
body
had
fun
too!

Smile . . . Flashes!

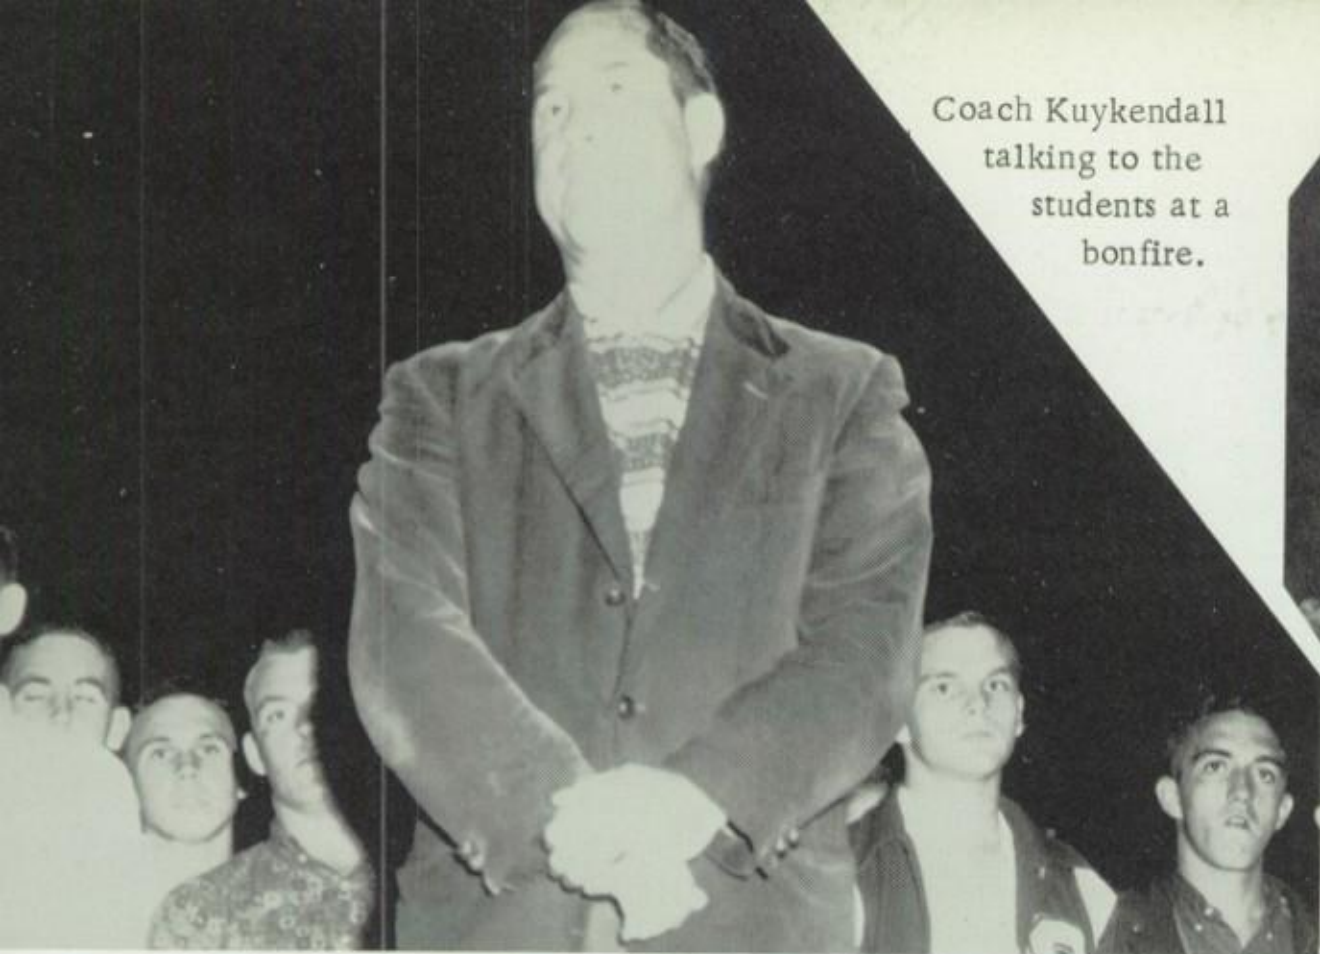

*Wish I always looked
this good!*

CHRISTMAS: The foyer of GHS, decorated with a huge Christmas tree, opened the doorway to a school filled with a tremendous amount of Christmas spirit. These busy days of preparation were climaxed by an effective production of "A Christmas Carol." Ebenezer Scrooge might not have had the true "Christmas spirit," but Mr. Hardin and his capable cast certainly ignited a suitable mood for a very merry holiday season.

Six old women . . . then there were five . . . then there were four. Two old women died to further the cause of love . . . love for a detective in homicide. They learned that crime didn't pay because he transferred to arson. So what was there left to do? Call the fire brigade!

Delivery date finally arrived March 7, 1962. Everyone crowded into the gym promptly at 6:30 for the first "peek."

It is hard work, but "loads" of fun, and it makes for wonderful remembrance.

The 1962 LION was dedicated to Mrs. Newman. Editor Janice Moser presented the first edition to her.

With pride, the students claim the 1962 LION.

The Unaccustomed Challenge

Annual Career Day gave students an opportunity to discuss chosen careers with consultants from various walks of life.

General Assemblies challenged the students in preparation for professional and occupational training.

Heritage

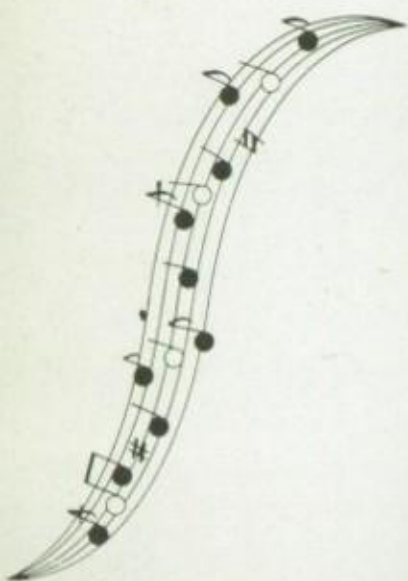

The "Old South" atmosphere completely consumed the gym for three consecutive nights, featuring spectacular performances by the Band and Flashes. Capacity-crowds applauded outstanding showmanship after each presentation.

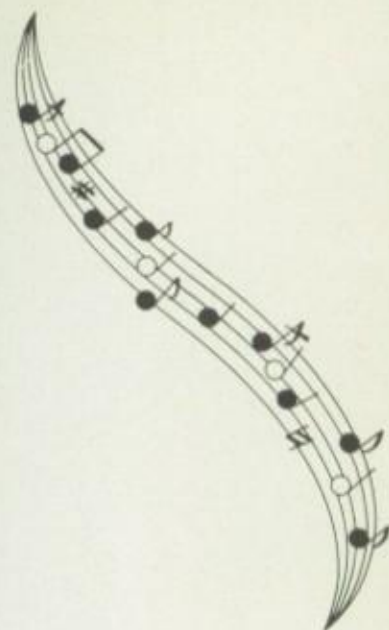

The atmosphere was that of Hawaii, paradise of the Pacific. We could almost feel the soft breezes and smell the salty air. Before us was a view of Diamond Head, located on the white sand of Waikiki beach.

The palm trees seemed to sway with the soft melodious tunes. But all too soon, our visit to the sunny island was complete, and we returned to our own Texas. Nevertheless, we will long remember our visit to the sunny isle.

The Night Before . . .

Music to work by!

Be careful! We don't want a crooked beach!!

Be careful with those scissors!

A little more to the left please.

'Twas the night before the Junior-Senior and all through the gym, - everything was in complete chaos. Everyone was stirring, especially our much loved Junior sponsors. Light fixtures were replaced, the backdrop was raised, and Kleenex flowers were

carefully made. Streamers, fish nets, and huge fish were hung from the ceiling. We hope the Seniors noticed that each of these were part of a definite pattern. This was due to the expert directions of everyone present. Although there were times it seemed as if we would never finish, we succeeded in the preparations for a truly big night!

The awning was a breeze?!

Of course the flowers are real.

RED AND WHITE

Red and white! Go with us ever
As the ideal of our dreams!
May we find life, as we sever,
Just as worth while as it seems!
May we each accept the mission
Fate holds covered from our sight,
Sure, whatever its condition,
Victory'll crown our red and white!
